

May 2024

**The 71th Meeting of the Liaison and Coordination Consultative Group on Construction projects in the Centre of Hirafu Area (*Hirafu Centre Village Chiku Kouji Renraku Kyougikai*)**

The liaison and coordination consultative group on construction projects in the center of Hirafu Area is scheduled to hold the 71th meeting as described below.

This will be a chance for local residents to exchange information with us.

We would really appreciate it if you could attend.

**Date: 28th May 2024 13:15p.m.**

**Venue: 101-NISEKO construction site office (1-4, Niseko Hirafu)**

**※Please check the attached guide map for the location of the office.**

\*Advance reservation is not required. Please come directly to the venue.

\*Due to obtain clear understanding, attendees should be capable of understanding Japanese or bring someone that could help you with Japanese.

Inquiries: Iwatachizaki Co., Ltd. (in charge of 101-NISEKO new construction)

Construction Manager Makoto Hasegawa

MAIL: m.hasegawa@iwatachizaki.jp

-----  
▶What is The Liaison and Coordination Consultative Group on Construction projects in the Center of Hirafu Area (*Hirafu Centre Village Chiku Kouji Renraku Kyougikai*)?

— This group is composed of companies engaging in construction projects in the center of Hirafu Area. We set and follow a common rule for working hour and parking among the construction companies in order to minimize burden on local residents.
