Protect the pow NISEKO

@Kutchan Tourism Association

What is “Protect the pow NISEKO”?

The purpose of this service is to promote understanding and empathy for local culture, natural environment, and landscape conservation among visitors to the Niseko area, and to increase the number of people involved in sustainable community development and tourism. This is a digital service that allows users to easily make donations on their smartphones and instantly receive electronic gifts that can be used at participating merchants as a return gift.

50%
of the donation amount
will be returned as
an electronic coupon
